DEDICATION

MISS MARY GRIES

As editors of the 1973-'74 edition of the HI-S-POTTS ANNUAL, we proudly dedicate this edition to our most devoted and admired advisor, MISS MARY E. GRIES. She has faithfully contributed fifteen years of unfaltering service to the publication of the yearbook, which is a vital and traditional aspect of Pottsville Area High School. As a teacher, she merits respect for her many years of educating and inspiring the youth of the community. We, the editors, take this opportunity to pay homage to a great person of integrity, patience, and loyalty.

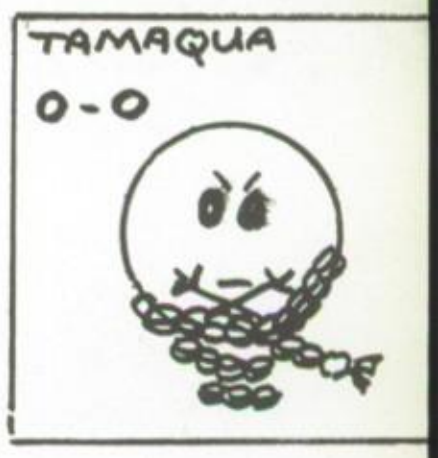
1973 FOOTBALL TEAM

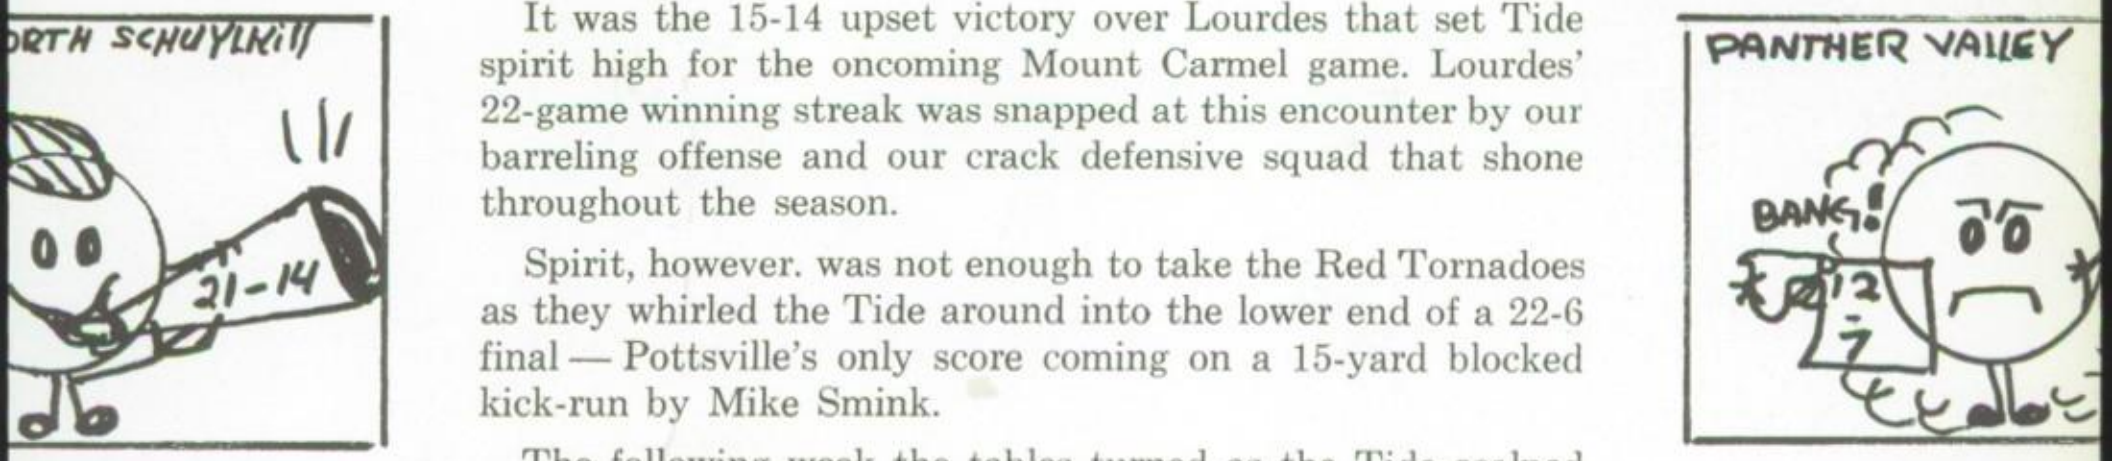
Six wins, four losses and one tie — that's the story of this year's Crimson Tide.

The season opener went to Blue Mountain by a score of 7-6 in the first of many clutch defensive games, but a loss to Blue Mountain didn't stop the on-the-road Tide as they whipped the Golden Bears of Mahanoy Area, 20-6, the following week. With a 1-1 slate the Tide traveled to Tamaqua only to add another one to the record by drawing a 0-0 tie in what was to be the most dramatic defensive battle of the season. The Tide fell to Panther Valley, 12-7, to bring the season record to 1-2-1 and the following week bowed to Shamokin, 21-6.



It was the 15-14 upset victory over Lourdes that set Tide spirit high for the oncoming Mount Carmel game. Lourdes' 22-game winning streak was snapped at this encounter by our barreling offense and our crack defensive squad that shone throughout the season.

Spirit, however. was not enough to take the Red Tornadoes as they whirled the Tide around into the lower end of a 22-6 final — Pottsville's only score coming on a 15-yard blocked kick-run by Mike Smink.



The following week the tables turned as the Tide scalped the Shikellamy Braves, 19-0, with quarterback Mike Keating taking the ball 3 yards for the first score; senior Mark Alonge dashing 37 yards for the second stab; and senior Randy Bedway capitalizing on a blocked punt with a 20-yard scramble into the end zone. The rampage continued as the Tide left Harman-Geist Stadium with a 14-6 victory over Hazleton, the first since 1961.

The Tide continued to roll two weeks later when they roared past North Schuylkill, 21-14, to pull their season average up to 5-4-1. The only remaining game was the Thanksgiving classic against Reading.

In the 65th renewal of this historic rivalry, the Tide pulled off a 13-7 victory to end the 1973 football season with 6 wins — 4 losses — 1 tie.

1973 CROSS-COUNTRY

Again the cross-country team proved to be the school's most successful sport with an outstanding 13-1 dual meet record led by Seniors Steve Morgan, Brian Tonitis, Bill Jones, and Ted Jasinski. The team continually improved and went on to finish second in the all-league meet and seventh in the District 11 P. I. A. A. meet.

The season was full of excitement and surprises, but nothing was more sensational than the work of Junior Kevin Davis. Kevin finished first in seven of Pottsville's thirteen meets and in the Hazleton meet, crushed the 1972 Pottsville course record of 13:10 by 15 seconds!

With the return of Kevin and letter winners Dave Baxter, Todd Kline, Ron Mauger, Jack McGarry, and Bob Messina, Coach Liddle can look forward to a very bright 1974 season.

BOYS' VARSITY BASKETBALL

The 1973-1974 basketball season was a very successful season for the Crimson Tide. Under the coaching of Mr. Ken Kline, the Tide showed its aggressive playing and all-out hustle, for which they are noted. A well balanced team, compiling an over-all record of 16 wins and 7 losses, placed fourth in both offense and defense in the East Penn League.

This year's seniors are John Burch, the Tide's second leading team scorer; Ed Mady, the 6'3" center, who aided in the balanced scoring attack; and Gary McClure.

This year the Crimson Tide captured its first Christmas Tournament in championship fashion, by dethroning the defending champion, Reading, by the score of 62-60. Qualifying for the District XI playoffs, the Tide failed to advance. With three starters returning next year, Pottsville is an excellent pick as one of the threats for the District XI title.

This year's team possessed a fine group of underclassmen who provided the needed scoring punch. Juniors Todd Kline, Tom Francavage, and Mike Smink and sophomore Pat Flannery, who finished the season as fifth leading scorer in the EPL with 253 points, were important ingredients to the 1973-1974 Tide.

The Tide's junior varsity team compiled a record of 10 wins and 10 losses, while the freshmen team finished with 15 wins and 2 losses. Congratulations go to the teams and coaches for their successful seasons.

1973-1974 GIRLS' BASKETBALL TEAM

A slow start prevented Miss Hildreth's 1973-1974 girls' basketball team from having a winning season this year. Winding up league action with a 5-11 record, the Tide dropped six of the eleven losses by less than ten points. The tri-captains of the team were Diane Gross, Chris Gerace, and Lisa Evans with Diane Gross being selected the Most Valuable Player on the team. Junior Deb Haag led all scorers with a season total of 280 points. The junior varsity, under the coaching of Miss Krupa, posted an impressive season record of 12-4. The many promising underclasmen should prove to make next year's Crimson Tide a strong winning team.

WRESTLING

The 1973-'74 wrestling squad, under the tutelage of Coach Charles Sacavage and assistant Mr. Robert Deitrick, ended the season with an over-all record of 5-9-0. The matmen finished 5-5-0 in the highly competitive Tri-Valley League.

Senior grapplers and their weight classes include: Randy Bettinger 167, Ralph Bretz 126, Ron Dermo 126, Russ Holshue 132, Robert Ondisco 138, John Tokonitz 155, and Mark Weismiller 132.

Ron Dermo finished the dual meet season undefeated with a 17-0-0 record. He placed third in the Districts, second in the Regionals, and then went on to State competition. Other wrestlers with winning records were: Mike Wesnoski 11-4-2, Doher Ferris 12-5-1, Jim Cantwell 5-2-0, and Vernon Kleckner 11-4-0.

1974 BOYS' SWIM TEAM

Although posting a 1-8 record for the 1973-'74 season, the boys' swim team had a successful season in cracking five school records. Pottsville's inexperience in the rigors of dual swimming competition along with the inexperience of the underclassmen-studded squad accounted for the poor record. Senior tri-captains Jim Brennan, Kevin Burns, and Keith Loy can be proud of the spirit and enthusiasm they showed to these freshmen and sophomores in the face of defeat. The future looks bright if these young athletes can keep that spirit and drive in the coming years.

1973 GIRLS' SWIM TEAM

The 1973 edition of the girls' swim team compiled a 5-4-1 record to mark their winning season in girls' swimming.

Capturing an exhibition meet over Schuylkill Haven (222-65), the high Tide swallowed Bethlehem Liberty (148-144), Parkland (175-117), Northampton (171-126), Allentown Dieruff (52-31) and Blue Mountain (144-58).

The season saw the Tide being washed-up by Easton (170-119), Bethlehem Freedom (104-68), Emmaus (97-69) and Allentown Allen (171-117).

Whitehall swam the Tide to an 86-86 tie.

In the P. I. A. A. District Meet held at East Stroudsburg State College on November 10, 1973, the Tide swam with 12 other schools and approximately 110 swimmers and 30 divers.

Cindy Marley took a gold medal in the 100-yard breast stroke with a time of 1:18.0. Pam Price won the silver medal in the 50-yard free style clocking 27.0. These two swimmers went to the State Championships representing District XI and P. A. H. S. on March 1-2, 1974, at Penn State University.

In the diving department, Cindy Phillips and Chris Jones both made it to the semi-finals with Chris Jones advancing on to be a finalist and placing 10th out of 30 divers.

The Tide has high hopes for a strong 1974 team with many returning underclassmen.

1973 BASEBALL

The accomplishments of the '73 baseball team were ones that Coach Steidle may be proud of. The seasonal record of 11 wins and 8 losses was good enough to capture the Southern Division of the Hughie McGeehan League. This title-winning team was mainstayed by three Hughie McGeehan all-stars, Jim Sweeney, our leading hitter at .385, Jim Gillespie, and Pat Hobbs. Pat was voted the Most Outstanding Player Trophy in the Southern Division for his great work throughout the season. His record of 115 strikeouts and an E. R. A. of 0.83 speaks for itself.

Even though P. A. H. S. lost the league championship to Hazleton, the northern champ, much experience was gained by returning lettermen Irwin Spector, Leroy Campion, Mike Smink, and Duce Shappell. This experience attained by the underclassmen spells out a bright future for Coach Steidle and the baseball team of '74.

1973 SOFTBALL TEAM

1973 was a building year for the P. A. H. S. girls' softball team. Despite the fact that there were only two seniors returning to the team, the girls won eight of their sixteen games to finish the season with a .500 average. Most of last year's experienced underclassmen are expected back to make the 1974 edition of the team championship material.

1973 GIRLS' ARCHERY TEAM

Pottsville is one of seven schools participating in the Schuylkill County Girls' Archery League.

The girls shoot in seven tournaments — one each week for seven weeks.

Three teams of four girls each represent each school. League teams include Pine Grove, Minersville, Blue Mountain, Nativity, North Schuylkill, Saint Clair and Pottsville.

Pottsville's high scorer was Marcy Dietrich.

Ms. Barb Shuckwit is the coach.

1973 GOLF TEAM

The 1973 golf team finished its season with an over-all record of 5 wins — 10 losses and a league record of 5 wins — 9 losses. The Tide golfers placed fifth of eight teams with Panther Valley leading the league.

The varsity team was composed of senior Ray Miske, junior Bruce Fellows, sophomores Todd Kline and Bill Bogage, and freshmen Barry Stock and Tim Siket. Todd Kline, who placed fourth in the all-league meet, received a letter as did Bill Bogage, Barry Stock, and Bruce Fellows.

The junior varsity ended its season with a 4 wins - 10 losses record behind the swinging of junior Gary McClure and sophomores Mark Puddu, Rick Puddu, and Dave Miller.

1973 TRACK AND FIELD

Some fine individual performances and a first place finish in the Fourth Annual Schuylkill County Relays highlighted the 1973 track and field season which failed to produce a dual meet victory in the East Penn League.

The team's leading scorer was Emerson Carter, who in addition to being a key member on the sprint relay teams, was a consistent point producer in the shot put, discus, and 220-yard dash. Junior Howie Wilson and Freshman Craig Davis gave the Tide a solid entry in the 100- and 220-yard dashes, while Joe Ginther scored consistently in the 120-yard high hurdles and high jump. Senior Rich Devaney and Junior Ted Jasinski were steady place winners in the long and middle distance races.

The year's highlight was a first place finish in the Schuylkill County Relays in which the Tide runners walked off with three first place finishes in the six events. This marks the second time Pottsville has won the relay championship in the event's four-year history.

CONCERT CHOIR

The Concert Choir, a group of 100 students selected by audition from the sophomore, junior, and senior classes, serves in several capacities.

In addition to the Christmas and Spring Concerts, the Concert Choir performed for the combined service clubs of Pottsville, and for the Baccalaureate Service held for the Senior Class, adding the proper background for the occasion.

This year two members, Evan Reese and Anthony Downey, of the Concert Choir, were selected to participate in both District and Regional Chorus Festivals. The District Chorus Festival was held at Wyomissing Area High School and was directed by Vito Mason. The Region II State Chorus Festival was held at East Stroudsburg Area High School and was directed by Richard Thorn.

Jim

In addition to the District and Regional Events, twenty-four members of the Concert Choir attended the County Chorus Festival, held at Blue Mountain Area High School in April.

Under the direction of Mr. Francis M. Portland, the Concert Choir had a most successful year, and shows continued signs of improvement.

FRESHMAN CHOIR

This vivacious group, numbering one hundred thirty Freshmen, serves primarily as a training group for those people who would like to audition for Concert Choir or sing in the Girls' Chorus.

Their quality goes beyond this point, however. They performed very well in both the Christmas and Spring Concerts. Their voices and their appearance add a great deal to the choral tradition of Pottsville Area High School.

DISTRICT AND REGIONAL MUSIC REPRESENTATIVES

This year, Pottsville had the privilege of hosting the Eastern District Band Festival. Dr. James W. Dunlop, conductor of the famed Penn State Blue Band, was the guest conductor, and Mr. Rollin W. Miller, conductor of the splendid Pottsville Area High School Band, was the host conductor of this elite band. Four of Pottsville's finest performers were selected to participate in this valuable musical experience. These talented musicians were: Ron Barto, an exceptional senior cornetist; Barb Yourshaw, a skilled senior clarinetist; Mike Ryan, the only sophomore tuba participant; Leslie Newman, one of the few freshmen clarinetists in districts. Because of his proficiency on his instrument, Ron was also selected to participate in the Region II State Band, which was held in Berwick.

The Eastern District Chorus Festival was held at Wyomissing with Vito E. Mason, director of University Choirs and associate professor of music at the American University in Washington, D. C., the guest conductor, and Mr. C. Russell Cattell of Wyomissing the host conductor. By out-singing vocalists from thirty-five other schools, two Pottsville Area High School students were selected to participate in this remarkable choir. Tony Downey, a senior, sang Tenor I and Evan Reese, also a senior, sang Bass I. Both songsters were chosen to participate also in the Region II State Chorus because of their fine reauditions in Wyomissing. They both did an excellent job of representing our school at these musical events.

POTTSVILLE AREA HIGH SCHOOL BAND

The 1973-'74 Pottsville Area High School Marching Band, the largest unit ever to represent the school, numbered 180 members. The band performed at all P. A. H. S. home and away football games, the Hamburg King Frost Parade, the Greater Pottsville Winter Carnival Parade, winning the "Most Outstanding Schuylkill County Band" award for the fourth consecutive year, and at other local parades and functions. The band also performed on the Boardwalk in Atlantic City for the Tall Cedars Convention Parade and made its second appearance at the Philadelphia Veterans Stadium.

The Marching Band was acclaimed as "Outstanding" at the Upper Perkiomen Field Exhibition September 17 and hosted the second annual "Festival of Bands" September 22 in our stadium where bands from Shamokin, Mahanoy Area, Chichester, Spring Ford, Upper Perkiomen, and Wilmington, Delaware, performed before more than 2,000 spectators.

MR. ROLLIN MILLER
Director of Instrumental Music

Best Wishes to Angie.

Debbie W. Shiller

During the year, the band presented shows entitled "Ecology, 1973" including music such as "On A Clear Day," Carole King's "I Feel The Earth Move", "Bridge Over Troubled Water", and "Old Man River" featuring the Bass Section of the band; and "A Fall Musical Happening" which included "Mr. Touchdown", "Brandy", "September Song", and "Autumn Leaves." A highlight of the marching season was the appearance of the first P. A. H. S. Alumni Band. Approximately 90 former P. A. H. S. bandsmen dating back to 1929, joined the band for the Thanksgiving Pre-Game Show and were saluted by the band with their halftime performance, "Salute to Alumni."

The Concert Band joined with the D. H. H. Lengel Middle School Band in the third annual "Music of Christmas", a program of Christmas band music presented in the high school auditorium December 21. The Spring Concert included the music of Holst, Mailman, Frescobaldi, and Sousa among others.

Pottsville Area High School was host for the 1974 Eastern District Band on February 14, 15, and 16. The District Band, numbering 160 musicians from the counties of Berks, Lehigh, Carbon, Northampton, and Schuylkill, was under the direction of Dr. James W. Dunlop, Professor of Music Education at the Pennsylvania State University and conductor of the Penn State Blue Band.

Ron Barto, cornet; Barbara Yourshaw, and Leslie Newman, clarinet, and Mike Ryan, bass, were selected from our school to participate in the District Band. Ron Barto was selected for the Region II All-State Band held at Berwick Area High School, March 28, 29, and 30. In addition, 20 members of the band performed with the Twin Valley Band at their annual concert held at Williams Valley High School, March 9.

THE KILTS

The Kilts completed the most successful year in their twenty-year history. This unique and colorful organization is composed of fifteen bagpipers and five drummers.

This past year the corps appeared in firemen's parades in Tower City and Bethel; Hallowe'en parades in Myerstown, Hamburg, Saint Clair, and Pottsville; the Greater Pottsville Winter Carnival Parade; the Allentown St. Patrick's Day Parade; the Pottsville and Upper Perkiomen Festivals of Bands; and all P. A. H. S. football games. At the Upper Perkiomen Festival, the girls gave a command performance for the Scotch-clad Bishop McDevitt High School Band and Band Front. The Kilts performed an unprecedented halftime show at the Pottsville-Freedom basketball game.

A new set of snare drums with citation cords and a quartet of national flags for parade appearances were added this year.

The Kilts performed before the largest number of people of any P. A. H. S. organization throughout the year. Their slogan, "Plaid Power", reflects their intense pride and their determination to perform with precision and excellence.

The Kilts are ably led by Mr. Michael Kiehner.

STUDENT COUNCIL

The Student Council of Pottsville Area High School was organized in 1926 to establish better student-faculty relations and to improve the general welfare of the entire student body.

The council began the year with the traditional sale of bookcovers and the sponsoring of lyceum programs. The traditional Penny-a-Week Drive proved very successful, enabling the distribution of many Christmas gifts to the less fortunate children in the school district. Other activities of the council included the members serving as guides for Parents' Visitation Nights, assisting the Future Teachers of America during Open House in observation of National Education Week and presenting the Dr. Alex G. Atty memorial award to a deserving faculty member in the high school who has contributed much to the field of education.

The council was an active participant in the Winter Carnival. This year they assisted the Sketch Club in building a float with the theme being "Sweet Tooth". The hard work put into the float was worthwhile since the Pottsville entry placed fifth in the parade competition. They also sponsored a brass group, "The Sheer Desperation" to represent Pottsville High in the Winter Carnival talent show.

At the end of the year the Student Council sponsored a faculty-student talent show as an assembly program.

For the 1973-1974 term the Council was under the leadership of:

HI - S - POTTS NEWSPAPER

Hi-S-Potts Newspaper, Pottsville Area's official journalistic publication, capably advised by Miss Helen Homa, has successfully completed its 47th year of uninterrupted publication. Since its comparatively simple beginnings, Hi-S-Potts has grown in length and diversity, more issues than ever are now being sold to the student body at a substantial monetary loss per copy, which must be accounted for through sales and an advertising campaign. With the student body contributing letters to the editor concerning school issues, the newspaper has added a controversial dimension which has made its contents even more pertinent to the average student.

Twenty-eight dedicated reporters rounded every corner to cover every aspect of P. A. H. S. both scholastically and socially. Current activities, holidays, school election, sports events and feature items are described in every issue. Circulation has increased this year and hopefully the 1974-'75 season will advance as well as this year's did.

Debbie Wanchick held the position of Editor-in-Chief for the second consecutive year. Judy Nolley worked diligently as Business Manager while Kathy Flynn fulfilled the duty of Circulation Manager.

ALPHA IOTA DELTA

During the school year, AID takes an active part in many service activities such as collecting for the Children's Home and donating money to CARE and PROJECT HOPE. During Christmas, the AID members contributed canned goods to a needy family.

Alpha Iota Delta has many money-making projects such as school sales, bake sales, and an annual Spring Dance. This year the senior members bought club jackets in the club colors of green and white.

The advisor is Mrs. Doris Shappell.

AMERICAN FIELD SERVICE

AFS, which is capably advised by Mrs. Miriam Wagner, is one of the largest and busiest clubs in the school. Activities such as sending Carol Letcher to Turkey and Kathy Flynn to Finland, hosting Marie Lidon from France and Alison Granes from Brazil and giving at least three parties a year call for abundant friends. This year Ron Barto and Bev Tenenholz were in charge of the annual candy sale which helps finance the trips of AFSers to and from Pottsville.

In March the AFS weekend was held. Area exchange students arrived for a 3-day weekend of dinners, dances, lectures, talent shows, and parties. The talent show assembly and the individual class discussions with the exchange students are alone a great contribution of the club to the school.

This year Dan Johansson and Diane Freeze were chosen by the Pottsville Chapter to represent our town and school abroad. Because of this, next year's AFS club will be just as busy as this year's was.

THE ASTRONOMY CLUB

This year, the Astronomy Club completed its fifth year as a chartered club of Pottsville Area High. Club meetings are usually held in the planetarium under the guidance of club adviser, Mrs. Frances Scheipe. Club members are also permitted to make use of the observatory and to attend the shows given weekly in the planetarium.

The club holds various sales throughout the year to raise money for a field trip in June.

BIOLOGY CLUB

The main goal of the Biology Club is to help its members learn more about the science of biology. It consists of students from all classes who are interested in this field.

This year the club members held special after-school meetings every Monday to conduct individual experiments with mice and other animals.

The club's main fund-raising campaign for the year was a refreshment stand at the Winter Carnival Parade. Profits were used to help support the S. P. C. A. and to finance the club's annual field trip in the spring.

Mr. William Houtz is the club adviser.

The officers for the year are:

DIE DEUTSCHEN WUNDERKINDER

Die Deutschen Wunderkinder, better known as the German Club, guided by Herr Frederic Knorr, has stimulated in its twenty members an active interest in the German language and culture.

At a regional convention last April, Kathy Flynn was elected as this year's president of the Central Pennsylvania Federation of Students of German. Nominated for the position of vice-president, secretary, and treasurer were Pam Price, Jane Griesbaum, and Gwen Reese, respectively.

This past summer Gwen Reese attended the national convention in Muncie, Indiana. She was the delegate from Central Pennsylvania. At the convention she served on the executive council, attended meetings, participated in workshops, played with the Oompah Band, and enjoyed other activities, including German plays, a picnic, and a costume ball. It was a truly memorable experience!

Some of the activities engaged in this year were an ice skating party and the making of special German cookies.

ECOLOGY CLUB

The Ecology Club is one of the most active clubs at P. A. H. S. The purposes of the club are: (1) to help the students develop an understanding of man's interaction with his environment and the necessity to maintain a balance with the environment to ensure survival of mankind on earth, and (2) to foster an ecological conscience in all students so that they will want to be well-informed and socially active citizens in an effort to eliminate or modify environmental abuses.

This year's activities have included beautification of the west bank of the school grounds, a Christmas play for patients at Hamburg State School and Hospital, a Christmas tree collection, decorating the Coca-Cola Co. float for the winter carnival, a camping trip, and many other activities.

Membership is open to all 10th, 11th, and 12th grade students and freshmen after the first grading period.

FUTURE BUSINESS PEOPLE

Since its inception in 1972, the Business Education Club has striven to promote the welfare of the business student. The club has developed a more realistic approach toward the business community. The governing body of the club is based on the concept of a corporation. A board of directors, which consists of the four elected officers and a chairman from each standing committee, forms and implements policy for the organization.

The organization is open to any junior or senior business student who maintains an 80% average in all business subjects taken up to the time of membership.

FUTURE NURSES CLUB

This year the Future Nurses Club has provided many opportunities for its members to explore the career of nursing. The girls completed a Home Nursing course taught by Mrs. Jean Haffner, R.N., and received certificates and pins. Nurses were brought in from out-of-town hospitals to present programs which made the members aware of the many opportunities in the field of nursing. The girls could also join the Explorers Club under the direction of Dr. Richard Bindie at the Pottsville Hospital.

Activities of the club included sponsoring a football queen contestant, giving a Christmas basket to a needy family, contributing to the Holshue Fund, and holding a banquet in the spring.

P. A. H. S. REPERTORY COMPANY

Now in the fifth year of existence, the Drama Club is growing in membership, activity, and community prestige. Composed of members from all four classes, the club conducts activities throughout the school year and even into the summer. New members are chosen by a committee of senior members and the advisers after listening to a few days of auditions.

Drama Club has had the opportunity to perform various one-act plays for numerous community and county organizations. Other important functions include a children's theater, this year's production being *Pinocchio*, and a May theater night.

Fostering maturity, achievement through hard work, perfectionism, and responsibility, the Drama Club is proud of its progress.

TAU KAPPA DELTA

For the past 49 years, Tau Kappa Delta has actively participated in functions of the school and the surrounding community. T. K. D. is always ready to offer its services for any reasonable request or need.

This past year, T. K. D. provided a complete Thanksgiving meal for a needy family, awarded scholarship aid to a worthy senior planning to further his education in any field of study, and presented a trophy to the most valuable athlete of P. A. H. S.

T. K. D. was also present to help at cross-country meets, collect caps and gowns, and usher at various events held at Martz Hall.

Once again this year, T. K. D. sponsored a contestant, Linda Kline, in the Football Queen Contest and held a Thanksgiving dance for the students of the high school.

Club projects for the year included bake sales, the sale of Crimson Tide license plates, trips to professional sporting events, and the rewriting of the club's charter.

Membership in Tau Kappa Delta is limited to seven seniors, four juniors, and two sophomores; all of whom must participate in extra-curricular activities, show qualities of leadership, and maintain an acceptable standing in scholastic work.

FEATURES

ALL THE WORLD'S A STAGE...

CLASS HISTORY

We came to P. A. H. S. four years ago prepared to begin a new and exciting act in the play of our lives. As freshmen, we were excited at the proposition of being faced with new experiences, and there certainly were many of them. The maze of corridors and classrooms, and the long lines and short lunch periods really confused us. Like traditional freshmen, we searched futilely for our lockers on the wrong floor in the building and ended up in the boiler room instead of general science class. Diagramming sentences proved to be a hopeless case, and the new math proved only to be a more difficult version of the old one. Some of the more pleasant remembrances are those of getting to know each other and forming lasting friendships.

Mike Keating, Carol Letcher, Cherie Sperling, and Lisa Evans were elected to lead us through this difficult year. As the year drew to an end, we looked forward to finding out what our sophomore year held in store for us.

When we returned as sophomores, the opportunity came to tell freshmen to go to the other end of the lunch line and to move to another table in the cafeteria. We were also given the privilege of having a real homeroom on the second floor instead of being crammed into a study hall on the third floor.

We were undecided about everything that year and frustrated with the academic competition. In addition to trying to work out mind-shattering geometric proofs, we learned every last detail about the structure of a frog when we carefully dissected one in biology. Many of us also earned the distinction of becoming a life-long member of the "Forgetful Henry" club. We'll always remember those first few weeks of typing class, in which we spent more time trying to get the keys apart than the time we spent actually typing.

During the middle of the year, we elected Mike Keating, Rosie Calabrese, Lisa Evans, and Judy Gogno as our class officers and got down to the serious business of trying to earn some money for our class treasury. In addition to the usual class jackets and T-shirts, we decided to be different and sold such items as ironing board covers, refrigerator deodorizers, fire extinguishers, and breath spray. A hay ride was also sponsored by our class.

STEVE MORGAN . . Vice-President

With two years down and two years to go, we held a more optimistic view of what was in store for us during the coming year.

Junior year was another important changing point for us; for now we were given the title of upperclassmen and at least had to begin planning for our unpredictable future.

Along with the embarrassment of pulling the hood release instead of the emergency brake release of the driver ed car on Centre Street came the more serious aspects of the year like trying to produce a really great term paper. Through our more than adequate exposure to motion pictures, we learned how truly colorful American History can be. In addition to our cinematographic ability, we became expert mathematicians after spending countless hours trying to balance our bookkeeping charts. It was also found that one-hundred percent error was quite possible in a chemistry experiment. While we were performing chemistry experiments, our vo-tech students experimented with the effects of eating mashed potatoes that had been prepared with sugar instead of salt.

Realizing our need for funds, the class officers, Mike Keating, Rosie Calabrese, Gretchen Shields, and Judy Gogno, organized the sale of class hats and pins as a means of earning money.

Though difficult, the year flew by so quickly that the end was drawing near before anyone realized it.

Returning in September, we found it hard to believe that we were very near the goal we'd worked for over the past three years. We became the leaders of the school; and ground floor homerooms and lockers, choice cafeteria tables, and front seats in the auditorium were ours.

Many of our fondest memories were remembrances of the good times we had this year. We always chuckle when we recall such incidents as the lyceum program were Bob Schaeffer, Cathy Murphy, Pat Lehman, Diane Gross, and Pat Murphy displayed their gymnastic talents on the trampoline; or the time Mrs. Wagner's Trig Class decided to revolt and turned their desks to face the back wall. A smile always comes to our faces when we recall the time someone put the wrong card in the computer in Data Processing Class and cards came flying out of the machine in all directions. One of our proudest memories was of "Victoria's House" by a talented and enthusiastic cast.

With each day flying by, we were one more step closer to graduation. Faith Ginther, Steve Morgan, Lisa Evans, and Cathy Murphy were elected our officers to carry us through this year.

By spring, we had recovered from severe cases of "senioritis", and most of us had finally decided which college we would enter or what type of job we would take once the year was over.

On Class Day, watching the films of ourselves as freshmen, we saw how much we had changed. Although we had matured in many ways, much of the uncertainty that was with us as freshmen returned as we anticipated our future.

As we sit here at Commencement in our caps and gowns watching our classmates fill in beside us, we realize that the moment we have worked for is here. However, this is not the end, for reminders of these days will linger as warm memories for a long time to come. Now as we again begin a new act in the play of our lives, we bring the knowledge, love, friendship, and experience that we have gained during the past four years; and it shall remain forever.

CALCULUS ESSAY

Seventh period, eleven of us marched into "Master" Wagner's calculus course. It was "simple, simple, simple," providing you had taken three years of Greek, observed a college calculus course for two years, and read the five volumes of *How to Understand Elementary Definitions*.

We have had many memorable moments of frustration and accomplishment, failure and achievement, and fizzle and advance in our extraordinarily exciting endeavor to comprehend the concepts of continuity, find the fundamentals of "foggy" functions, learn the logic of limits, determine the destiny of differentiation, and probe the prosaic problem of proving precocious proofs.

Along with our laborious work, we have had some lighter moments, too. One time, Mrs. Wagner hobbled into Room 105 with a cast on her lower left leg. Immediately, we assumed that she had broken her ankle by running to school too quickly. As she tried to rectify our assumption, she revealed to us that her doctor was also the official Philadelphia Flyers' doctor. Therefore, we decided to get her an original Tenenholz-Gerace skateboard to give her greater mobility in her classes. As a result of our persistent prompting and persuasion, she agreed to try it out. Mrs. Wagner was "gently" pushed into the hall. To her relief, she only saw a few students staring as they passed by.

Our class had been together for five years, yet we were still vulnerable to surprises. These were especially astonishing: "sweet, innocent" Cheryl was caught playing a "harmonica" during class; Jim wrote much more than he talked; Pete had a great day February 7, 1974; Chris was an exceptional chalk-catcher; Gwen made three mistakes January 7, 1974; all Debbie ever said was "weo," "well, I'll be dimmt", or "we still love you, Mrs. Wagner!"; Ron appreciated quiet; Charlie could do difficult manipulations. Of course we expected Judy to be constantly talking, Cherie to write pretty numbers, and Bev to be evicted for writing sloppy numbers on the board.

Because of these good times and many others, there is no doubt that calculus will be one class we will never forget.

BUSINESS CURRICULM

The business curriculum consists of three different branches: secretarial, general clerical, and bookkeeping. Each branch prepares the student to understand what is in store for him in the business world.

Each branch has required courses besides English and history. The secretarial branch requires transcription II, stenography II, office practice, and business law in your senior year.

Many students think that all there is to shorthand is drawing a lot of lines and circles in different directions. Are they wrong! First, one has to learn what all those lines and curves mean, then try to draw them in the right dimension to represent a certain letter or group of letters. Once one learns that, then the fun part comes. The teacher starts dictating letters at a slow speed; finally it starts to get faster and faster. The speed gets so fast that you can write only every other word and your paper looks like one big piece of weird symbols.

When you think you are getting exceptionally good with your shorthand, the teacher suddenly tells you to transcribe your shorthand letter from the last class. You start to panic and try to figure out what the symbols say. When you're all finished, you realize that it wasn't too difficult once you got started.

The general clerical branch requires advanced math, office practice, and typing for the senior year.

This course is also difficult because you have to learn the many ways of doing math and operate many kinds of machines.

In office practice there is more than just operating all the different business machines. You learn how to file names and names of businesses and why in some business names, the last word is filed first and in others the first word is the word you file. Filing could get so complicated that you would throw the filing cards and make out your own filing system.

In typing, you learn where all the right keys are and then try to type faster. Once you are going at a moderate speed, you start thinking that it is very unusual to be typing for such a long time and then you suddenly get your fingers all twisted-up and make all kinds of ridiculous mistakes.

For the bookkeeping branch, the required courses for the senior year are bookkeeping 11, business law, advanced business math, and office practice.

In bookkeeping you must distinguish which transaction would go in the general, purchases, cash payments, sales, or cash receipts journal. You must do all your work in ink and if you make a mistake you must draw a line through your mistake and write the correction above. If you make a mistake over the original mistake, you may draw a line through that mistake and do the whole transaction over on another line.

So many students think that the business course is so much easier.

Alas, after so much practice in the area of equipment and machines, we feel we are ready to assume our place in the business world.

FOOD PREPARATION CLASS

Almost everyone in Vo-Tech knows about the great food-prep class. The kitchen was always filled with a warm and friendly atmosphere, which matched the personalities of the people involved. Three of our own P. A. H. S.seniors were in charge of the activities—Joe Slovick, Paul Novack, and Jim Bradley. Under their capable supervision, the more advanced students instructed and directed the first-year students.

There are many memories which we recall when we think of our vo-tech days. Between cooking super-excellent meals for the teachers, we can recall jokes someone made about poisoning them. We also remember Joe's favorite saying, "You name it, we make it." All the little things which happened during our learning experience combine to form some pleasant thoughts which we shall always treasure.

Included in our activities were the various banquets we had to celebrate the different holidays. We shall always remember the beautiful Christmas banquet and the festive creations we could say we made with our own hands. There was the handmade ice carving of a snowman which was encircled by delicious-looking shrimp. Included in our menu was steamship round of beef, ham, turkey, mashed potatoes, sweet potatoes, a variety of vegetables, and gravy. On our display table was a ham and a turkey, surrounded by every kind of fruit imaginable. Delicious food together with friendly people made this year's Christmas banquet one which would be long remembered.

The teachers were not the only ones to experience our good cooking. The students were also fortunate enough to have the opportunity. We cooked for one shop each week, thus giving everyone a taste of our cooking.

Those whom we shall always fondly remember are our great supervisors, Mr. Behler and Mr. Davis. Whenever one of us made a mistake, Mr. Davis would come over and explain the procedure and help to set things straight again. He always said, "I'd rather if you make a mistake in here than out on a job." The patience and kindness of these supervisors have helped us greatly.

Anyone coming in to food preparation class to observe would witness a very busy routine. Our class was divided into groups of five or six students, and each group was sent to a different station. We each had a turn at the restaurant, the baking station, cold bar, steam table, and store room. We recall cleaning up after each meal, and we were especially "lucky" if we happened to be stationed in the storeroom, for then we were given the tasks of cleaning the pots and pans and mopping the floor. We also had interesting times dancing with the mops during clean-up time. These and countless other memories shall be recalled whenever we think of our home-away-from-home, the south A. V. T. S.

ANTHROPOLOGY CLASS

"I'm Mr. Ruch and this is your Anthropology class. You will be here for the next eighteen weeks. During that time one of the topics we will thoroughly explore is the evolution of life . . . and what exactly, Mr. Brennan, in your own words, is 'life'? And it's not a cereal."

"All the time you spend on earth."

"Well, Mr. Brennan, that's a very egotistical definition. Do you know what that means?"

"Self-centered."

"Very good, Mr. Brennan! You're smarter than I thought. Keep that up and you'll be the best one in the class by the end of the year. Your definition defines life only in terms of man, but there are many other forms of life which you will soon explore. During this course you can expect to have at least one quiz a week—just as in World Problems, right Mary Ellen? I still say it's Mary; well, anyway, you will have homework assignments that will be due the week after I assign them and if it is at all possible, please see that your papers are kept clean, so that I can't tell what you had for supper the previous night. Do you think you can do that, Paul?

All right, so much for the basics. Now, back to evolution. There is a recent theory formulated by a *women's liberation* anthropologist, Faith, that states that it was the *women* monkeys that were forced to stand on their hind legs while traveling into the sea to search for food, causing them to appear somewhat erect and therefore, beginning the slow process of the evolution of man. You will be able to discuss this and express your personal opinions concerning this matter at the end of the year, as some of you may have heard, when we will take three or four days to do what, Bev? What's the key word?"

"Debate."

"Right. Then you have heard. Before the bell rings, I would like to give you your assignment. Please read chapters one and two and do the terms and questions at the end of chapter one."

Victoria's House, directed by Mrs. Geraldine Korenda and Miss Sherrill Silberling, was the senior class's heroic attempt at serious drama. Staged in the Victorian age, the play was an engrossing mystery about a fragile young heiress' fight for her life. Niel Bannister, husband to the victim, and the housekeeper's scheme to poison Victoria in an attempt to overtake the Bannister estate. Their criminal plans are foiled, however, by a sly detective who engages the help of the family relatives and servants to stage a fake poisoning. An eerie mood and an undercurrent of sinister scheming evilness made this year's production an audience gripper well worth seeing.

Everyone involved with the play will remember Kathy Landa's sudden attack of laryngitis before show time. Such incidents as a bomb scare and extremely loud microphone feedback during the first act of the first performance made this play a memorable experience for all who were involved in the production. The cast and producers will long remember the fun-filled, but sometimes hectic practices.

. . . APPRECIATION . . .

The HI-S-POTTS Annual Staff of 1974 wishes to express its apperciation to:

Our ADVERTISERS whose names appear on these pages, without whose assistance this book would not be possible. They are most worthy of your patronage.

The MACK and SMITH STUDIOS OF PHOTOGRAPHY, who gave so unstintingly of their time and their talents.

The POTTSVILLE *Republican,* for several pictures.

SEIDERS PRINTING, INC., for their expert advice.

DR. WILLIAM FREED and the FACULTY of Pottsville Area High School, for their cooperation in all matters.
